ADVENT DEVOTIONAL

MERRY CHRISTMAS

December 25, 2020

Text: Luke 2:8-20

Meditation:

Merry Christmas!

It is here. The day has arrived. It isn't cancelled! Christmas comes because Jesus came and there is great joy over the arrival of our salvation.

Today read the text out loud. Let the angels' Good News wash over you. Be in awe at what God has done.

Open yourself to the God's pleasure in your "Yes Lord" hearts and feel His peace flood your soul.

Let God's gift of love be the only the gift that you need this year. Even though there may be disappointments over not having family and friends nearby or to celebrate with, God is with you right now and wants to celebrate with you.

So, turn on the music. Sit with God in prayer and glorify His name. Tell God how grateful you are and how much you love Him. Invite Him to your table, to your conversations and family zoom gatherings. Share with everyone this gift of love.

Merry Christmas everyone!

Prayer:

Thank Lord of all Heavenly Hosts, creator and sustainer for giving us Jesus, Emmanuel, God with us. We celebrate His birth and rejoice with the shepherds as we too seek His face throughout our day. Please stay near today God, Father, Son and Holy Spirit, that I may worship and glorify you every moment. Let me never lose the wonder of your love in this baby in the manger. Thank you, Lord. Amen.
