

## DAILY BIBLE STUDY SHEET

*Daily meditation on the Word of God is imperative to our growth. As the people of God we should commit to reading Scripture every day. For the month of July we will engage in practicing the S.O.A.P. way of studying Scripture. S.O.A.P. stands for Scripture, Observation, Application, and Prayer. There will be a daily text for you to study and in a notebook write the following:*

**Scripture:** *After you have read the prescribed text write down in full the passage that caught your attention or the point that struck you.*

**Observation:** *What did you observe about the text from which this passage came?*

**Application:** *What is the takeaway for your life as a believer and follower of Jesus?*

**Prayer:** *Write out a prayer that praises, apologizes, thanks or asks for help in regards to the application.*

*Remember that before you begin, pray asking the Holy Spirit to help you read and give you understanding of the text.*

*We will be reading the Book of Proverbs. As you read, apply the S.O.A.P. method to your reading. There may only be 1 or 2 verses that strike you and that's okay. There may be an over-arching concept addressed and that is what you may wish to describe in your S.O.A.P. Journal.*
