JOURNEY THROUGH THE BIBLE

LET THE BUILDING BEGIN

2 Chronicles 2:1-2 & 5-6

Solomon decided to build a Temple to honor the name of the LORD, and also a royal palace for himself. He enlisted a force of 70,000 laborers, 80,000 men to quarry stone in the hill country, and 3,600 foremen. [Solomon said] "This must be a magnificent Temple because our God is greater than all other gods. But who can really build him a worthy home? Not even the highest heavens can contain him! So, who am I to consider building a Temple for him, except as a place to burn sacrifices to him?"
