JOURNEY THROUGH THE BIBLE

CONSTRUCTION BEGINS

Exodus 33:8-11 & 34:29-35

Whenever Moses went out to the Tent of Meeting, all the people would get up and stand in the entrances of their own tents. They would all watch Moses until he disappeared inside. As he went into the tent, the pillar of cloud would come down and hover at its entrance while the Lord spoke with Moses. When the people saw the cloud standing at the entrance of the tent, they would stand and bow down in front of their own tents. Inside the Tent of Meeting, the Lord would speak to Moses face to face, as one speaks to a friend. Afterward Moses would return to the camp, but the young man who assisted him, Joshua son of Nun, would remain behind in the Tent of Meeting.

When Moses came down Mount Sinai carrying the two stone tablets inscribed with the terms of the covenant, he wasn't aware that his face had become radiant because he had spoken to the Lord. So, when Aaron and the people of Israel saw the radiance of Moses' face, they were afraid to come near him. But Moses called out to them and asked Aaron and all the leaders of the community to come over, and he talked with them. Then all the people of Israel approached him, and Moses gave them all the instructions the Lord had given him on Mount Sinai. When Moses finished speaking with them, he covered his face with a veil. But whenever he went into the Tent of Meeting to speak with the Lord, he would remove the veil until he came out again. Then he would give the people whatever instructions the Lord had given him, and the people of Israel would see the radiant glow of his face. So, he would put the veil over his face until he returned to speak with the Lord.
