

For the future rezoning of both properties to be in God's perfect timing.

The buyers of our property to have no further delays in getting the rezoning approved.

The Planning Commission and County Commissioners will see the good that can come from these future plans.

The Land Planners for the Grimm property will have no issues on the Grimm property, securing the exception for church use on that property.

Our future residence across the street and that God would use it for His glory

The future families who will make their home on this existing property.
