#### **1 Chronicles 22:1-10**

*Then David said, "This will be the location for the Temple of the LORD God and the place of the altar for Israel's burnt offerings!" So David gave orders to call together the foreigners living in Israel, and he assigned them the task of preparing finished stone for building the Temple of God. David provided large amounts of iron for the nails that would be needed for the doors in the gates and for the clamps, and he gave more bronze than could be weighed. He also provided innumerable cedar logs, for the men of Tyre and Sidon had brought vast amounts of cedar to David. David said, "My son Solomon is still young and inexperienced. And since the Temple to be built for the LORD must be a magnificent structure, famous and glorious throughout the world, I will begin making preparations for it now." So, David collected vast amounts of building materials before his death. Then David sent for his son Solomon and instructed him to build a Temple for the LORD, the God of Israel. "My son, I wanted to build a Temple to honor the name of the LORD my God," David told him. "But the LORD said to me, 'You have killed many men in the battles you have fought. And since you have shed so much blood in my sight, you will not be the one to build a Temple to honor my name. But you will have a son who will be a man of peace. I will give him peace with his enemies in all the surrounding lands. His name will be Solomon, and I will give peace and quiet to Israel during his reign. He is the one who will build a Temple to honor my name. He will be my son, and I will be his father. And I will secure the throne of his kingdom over Israel forever.'*
